

Radio - Talk To Me :60

Dad.  
Mom.  
It's me.  
We gotta talk.  
We have to talk about sex.  
It's okay, I can handle it.  
Can you?  
Talk to me about sex.  
Tell me how you feel.  
Tell me you want me to wait.  
I may roll my eyes.  
Act all bored.  
But I'm listening.  
I'll hear you.  
So talk to me about sex.  
'Cause my friends do.  
It's all over the Internet.  
Now it's your turn.  
Tell me, "Son, you have the world at your feet."  
Or, "Honey, the sky's the limit."  
Tell me what you want for me.  
An education.  
A family.  
A career.  
Happiness.  
Tell me to wait to have sex.  
I know you're nervous.  
Weirded-out.  
Me too.  
But we gotta do this.

ANNCR: Tell your kids you want them to wait 'til they're married to have sex. And talk with them early and often. So they'll have a better chance at success. Visit [4parents.gov](http://4parents.gov) for help making the conversation easier. A public service announcement by the U.S. Department of Health and Human Services and this station.
